

# TEMPLE BETH EL OF NORTHERN WESTCHESTER

## 5780/2019 High Holy Day Parking Guidelines

ONCE AGAIN THIS YEAR HIGH HOLY DAY PARKING WILL BE AT THE BELL MIDDLE SCHOOL.

Continuous bus service will be provided between Bell Middle School and the temple for all services, including all family services, on Rosh Hashanah and Yom Kippur. The first bus departs from the school parking lot 1 hour prior to service start times.

If someone cannot use the bus, you can drive up to the temple and drop them off.

Parking at the temple is as follows:

- Those with a government issued handicap parking permit or a temple issued permit can park at the temple at any time. Please show your permit to the officers as you drive in.
- Those attending the tot service at 9am or the family service at 2:30pm or 3:30pm may park in our back lot. Due to limited availability of parking we suggest arriving early in case the lot reaches capacity. We will post a sign by the mailbox when the back lot is full. Additional parking will be available at Bell Middle School.

If you are parking on a side street such as Old Farm Road, use only one side of the street so that an emergency vehicle can pass. **NO ONE SHOULD PARK ON ALDRIDGE ROAD OR BAYBERRY CLOSE.** When walking on temple property, stay to the right and use the sidewalks to avoid bus and car traffic.
